

# The First Day of School

Tomorrow is the first day of school!  
My backpack is packed and ready to go!

I'll wear my favorite outfit.

I'll pack my favorite foods for snack and lunch.

I'll have a new teacher and go to a new  
classroom.

Maybe I will see some of my old friends, and  
maybe I will make a new one.

This year I hope we will learn about...

My favorite part of the day will probably be...

It will be a great day!
